

## INSTRUCTIONS FOR LIBERO TRACKER

- ❖ An individual other than the scorekeeper must be provided to track the entries of the libero player. This individual will be the Assistant Scorekeeper and is responsible for tracking the libero. There are two important procedures that the assistant scorekeeper is responsible for enforcing. The first procedure is to assure that once the libero is replaced, at least one rally must take place before the libero can replace another player. The second procedure is to ensure that when the libero leaves the court, the player replacing the libero must be the same player that the libero replaced when he/she last entered the game.

### Scorekeeper and Assistant Scorekeeper (Libero tracker) Duties:

- ❖ **Before the start of each game, the scorekeeper will:**
  - Obtain the lineup sheets from the R2 (umpire) or Coach and record the uniform numbers of the starting players in serving order and the libero on the scoresheet.
  - Ensure that the assistant scorekeeper (libero tracker) accurately records the lineups on the libero tracking sheet.
  -
- ❖ **After the toss of the coin and before each game:**
  - Review the lineups submitted to ensure that a captain is indicated, no duplicate or illegal numbers are entered, and the libero's number is noted. If no libero is indicated, as a courtesy (clarifies it's not a rule) notify the R2 (umpire) so the coach can verify that no libero will be utilized in the current game.
  - Record the team information and the positions of the player on the court according to the serving order on the lineup sheet.
  - Record all libero replacements accurately, so the libero tracking sheet reflects the players actually on the court at all times.
  - If an incorrect libero replacement occurs, notify the R2 (umpire) unless the team immediately fixes the illegality with no delay.
  -
- ❖ **During the match, the assistant scorekeeper will:**
  - Record all substitutions and libero replacements on the libero tracking sheet.
  - Notify the R2 (umpire) if the libero is replaced by an incorrect player, or if an undesignated libero enters the game.
  - Notify the officials if the libero does not remain out of the game for one rally between replacements.
  - Communicate and coordinate with the scorekeeper to ensure accuracy of both the scorebook and the libero tracking sheet.
